INTERNATIONAL
AWARDS

WAN AWARDS: URBAN DESIGN

The international Union of Architects announces **the launch of the WAN AWARDS session** devoted to urban design, completed and un-built.

This award honours any urban design / infrastructures / transport projects (airports, bus/railway stations, urban parks) completed or designed over the past three years (on or after 1st January 2007).

Deadline for participation in this session of the awards: 31 August 2010.

A **20% reduction on the registration fee** is offered. To benefit from this, visit the UIA web site.

Each session of this bi-monthly programme focusses on a different sector. The up-coming session will concern commercial buildings.

The programme is organised by **World Architecture News**, international on-line architecture magazine, **UIA media partner**.
